

Harlan County Veterans Memorial

The Harlan County Veterans Memorial has been constructed on the west edge of the Alma City Park, to honor all local Veterans who served their country in the military.

Memorials can be purchased for those veterans who gave their life in the service of their country during WWI, WWII, Korea, Vietnam, Gulf War, etc. or for Veterans who served their country during peace time and war.

The memorial is not only for the purpose of honoring but rather that future generations not forget those men and women who have served in the Armed Forces of the United States.

All Veterans from Harlan County and any Veterans with family who call Harlan County their home are encouraged to have their names on the memorial.
